Re: Jordan White v. UMG Recordings, Inc. et al., Case No. 1:20-cv-09971 (AT)

Dear Judge Torres:

We write on behalf of all parties to the action.

On March 23, 2021, the Court issued an Order granting Defendants' request for leave to file: (1) a motion to dismiss (the "Motion to Dismiss"); and (2) a motion to stay discovery (the "Motion to Stay") pending the adjudication of the aforementioned Motion to Dismiss. ECF Doc. No. 23. The Court also temporarily stayed discovery pending the resolution of the Motion to Stay, which was to be filed by Defendants by April 6, 2021 and to be fully briefed by April 20, 2021. *Id.* The Court also set a briefing schedule for the Motion to Dismiss. *Id.*

The parties subsequently conferred, and have stipulated to the stay that would have been sought in the Motion to Stay is appropriate. In light of this agreement, the parties jointly request that the Court stay discovery pending a decision on the forthcoming Motion to Dismiss. Given the stay, the Parties will also seek to continue the current deadlines as they relate to discovery in the Case Management Plan after the Motion to Dismiss is decided.

The parties also respectfully request a short extension of time for the briefing of the Motion to Dismiss. Due to scheduling conflicts, Plaintiff seeks, and Defendants do not oppose, a one-week extension of the deadline to file his opposition to the Motion to Dismiss, *i.e.*, from May 18, 2021 to May 25, 2021. Assuming this extension is granted, Defendants seek, and Plaintiff does not oppose, a concomitant extension of the deadline for their reply on the Motion to Dismiss, *i.e.*, from June 1, 2021 to June 8, 2021. This extension, if granted, would not alter any other case deadlines, and it constitute the first request of an extension of these deadlines.

We thank the Court for its consideration of this matter.

Honorable Analisa Torres, U.S.D.J.

Respectfully submitted,
